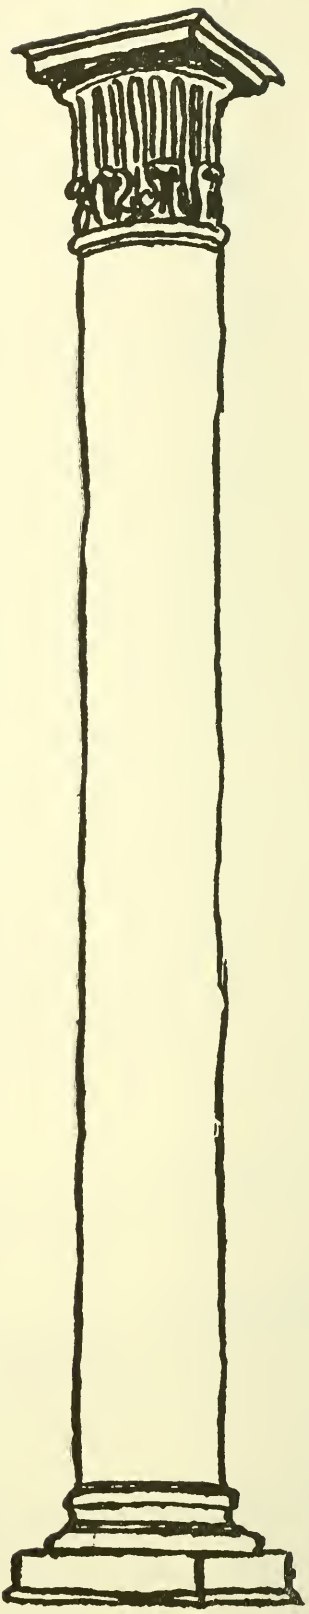
SKETCHES OF CAMPUS LANDMARKS BY COL. JAMES P. WHARTON, PROFESSOR AND HEAD, DEPARTMENT OF FINE ARTS.



THE STAR-SPANGLED BANNER

O say can you see,
—by the dawn's early light,

What so proudly we hail'd
at the twilight's last gleaming?

Whose broad stripes and bright stars,
thro' the perilous fight,

O'er the ramparts we watched,
were so gallantly streaming?

And the rockets' red glare,
the bombs bursting in air,

Gave proof thro' the night
—that our flag was still there.

O say does that Star-Spangled Banner yet wave

O'er the land of the free
and the home of the brave?

MARYLAND ALMA MATER

Hail! Alma Mater!
Hail to thee, Maryland!
Steadfast in loyalty
For thee we stand.
Love for the Black and Gold,
Deep in our hearts we hold,
Singing, thy praise forever,
Throughout the land.

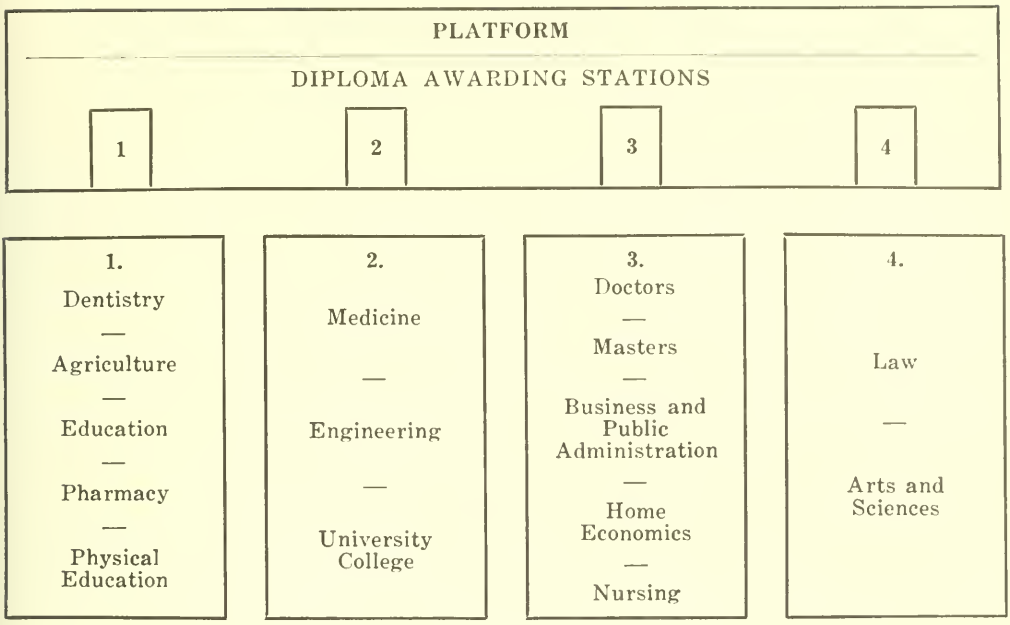
CANDIDATES' SEATING PLAN



THE ACADEMIC COSTUME

The black caps and gowns worn by the students and faculty in the academic procession are of ancient origin. They have been the traditional costume of the scholar since medieval times and probably represent an adaptation of the ecclesiastical dress since many of the scholars of that period were members of monastic orders.

An intercollegiate commission in 1893 drafted a uniform code for costumes which has since been adopted by the majority of colleges and universities in the United States. Each of the three academic degrees—bachelor, master, and doctor—has its own distinctive gown and hood. The bachelor's gown is distinguished by its long pointed sleeve. The master's gown has a longer, narrow, closed sleeve extending below the knee; the arm is passed through a slit at the elbow. In contrast the doctor's gown has a full bell-shaped sleeve with three bars of velvet. The opening of this gown is faced with wide velvet bands. The velvet trim may be black or of a color indicating the general field of learning of the wearer, for example, blue for philosophy, green for medicine, purple for law.

The most colorful and distinctive item of the academic costume is the hood which passes around the neck and extends down the back. The doctor's is the largest of the hoods and the bachelor's the smallest. The bachelor's hood is often omitted. The color of the velvet edging indicates the field of learning. The colors of the silk lining exposed in the center of the hood are those of the college or university which conferred the degree.

The cap or "mortar board" is uniform in design for all degrees. The tassel may be either black or the color of the field of learning. The tassel of the doctor's cap may be gold.

Certain institutions in this country and abroad have academic costumes of distinctive color and design.
